Subject: Zombies on our Grates

Brotha

Good Morning. Need your help on Lower Grand at around about 4:30 to 5 a.m. We have those individuals sleeping on our grates. They have now made the shuttle workers very uncomfortable. Can I get a patrol to rouse them at that time and get the area clear? It has become a big concern at this time.

Give me a call

Respectfully.

Burr

Respectfully

Paul Burr

Assistant Director of Security

U.S. Office Division
